

Dr. R. Sivaraman, currently working as Associate Professor of Mathematics at Dwaraka Doss Goverdhan Doss Vaishnav College, Arumbakkam, Chennai has 23 years of teaching experience. His areas of interests are Number Theory, Mathematical Analysis and Applied Mathematics. He has published more than 120 research papers including 17 Scopus indexed, 20 UGC CARE and 15 Web of Science indexed in various National and International Journals. He has provided several Plenary and invited talks at National and International Conferences. He has guided seven students successfully for their M.Phil. degree and currently guiding six Ph.D. research scholars. He is reviewer/member of Editorial Board for Twelve National and International including Scopus/UGC CARE and Web of Science indexed Journals in Mathematics. He has been involved as resource person in training teachers appointed by Teachers Recruitment Board (TRB), RMSA and SSA.

He has completed Post Doctoral Fellowship at British National University of Queen Mary, UK & USA and obtained Doctor of Science (D.Sc.) Degree from California Public University, USA. He secured All India 27th Rank in the Graduate Aptitude Test for Engineering (GATE) Exam conducted by IIT Madras with a percentile score of 96.3 in 1997 and has qualified in Junior Research Fellowship (JRF) as well as NET combined category conducted by CSIR in 1999.

He has been conferred with **National Award for Popularizing mathematics among masses in 2016 by Department of Science and Technology, Government of India**. He was conferred with the prestigious **Indian National Science Academy (INSA) Teaching award for the year 2018**. This award is the greatest recognition for a teacher working in College/University throughout India. He has also received **two State Government Best Book Awards in Science for consecutive years 2011 and 2012** given by Tamizh Valarchithurai, Government of Tamil Nadu. So far, he has received nine best book awards for the 28 books written for disseminating mathematics and science. Among these, 21 were in Tamil and 7 in English. He has provided more than 300 lectures throughout India conveying the beauty and importance of Mathematics and its Applications. Spreading Mathematics among everyone was his life vision.

He is life member of the prestigious mathematical organizations like American Mathematical Society (AMS), London Mathematical Society (LMS), Indian Mathematical Society (IMS), Ramanujan Mathematical Society (RMS), and Mathematics Teachers Association (MTA). He is the **Founder Trustee of Pie Mathematics Association (PMA)**. He was Editor of the Journal

“Junior Mathematician” a Quarterly mathematics journal for school students published by **Association of Mathematics Teachers of India (AMTI)**. He is also serving as Editor of e-magazine **“Mathematical Pixels”** published by Pie Mathematics Association from 2020.

He was a member of a team appointed by State Government School Education Department for preparing 100 mathematical models for 100 corporation schools in 2008. He was also a member of the Textbook Writing Committee, Tamilnadu School Education Department for preparing revised mathematics text for eleventh class in new syllabus. He was **Chairperson of the Tenth class new mathematics textbook released in June 2019**. He was recipient of more than **70 illustrious awards** like Mathematics Popularization Award, Abdul Kalam Teaching Excellence Award, Abdul Kalam Scientific Excellence Award, Abdul Kalam Global Teacher Award, Best Research Scientist Award, Distinguished Professor Award, Distinguished Mathematician Award, Golden Peacock Best Professor Award, Research and Innovation Award, Outstanding Scientist Award, Research Excellence Award, Best Researcher of the year Award, Radhakrishnan Fellowship Award, Indo – Asian Distinguished Mathematician Award, Isaac Newton Research Scientist Award, International Lifetime Achievements Award, Research Padma Award and much more for his wide contributions to mathematics.

He writes regular articles and provides puzzles for famous Newspapers like The New Indian Express, Times of India, The Hindu School Edition Paper, Tamil Hindu, Dinamalar Pattam Newspaper. He has also contributed several articles about mathematics in monthly magazines like Chutti Vikatan, Manjari, Ariviyal Oli, Chennai Report, Arumbu and continue to do more.
