

Dear Academician/Researcher,

We are coming up with an edited book entitled "**ANIQUEST**" **First edition**: Animal Sciences MCQs: As per Latest VCI Syllabus (For PG and PhD Entrance Examinations, ICAR-JRF, SRF, NET, CSIR/ICMR-JRF, UPSC, State PSCs,) with **ISBN number**. You can submit/ contribute your valuable chapter(s) to our book series at [Myinfovet](http://Myinfovet) which covers the below listed areas under animal science subjects.

Registration and publication charges per chapter for contributors / Author(s): **Free of Cost**

#### Instructions and Guidelines:

- o Ensure every book chapter includes >150 questions, the quantity being adjusted based on the chapter's content, and these questions should be sourced from credible references, covering all the prescribed chapter's content (but not limited to).
- o Allowable level of plagiarism must not exceed 10%.
- o Each chapter should feature **Preferably Single author** (maximum of two authors only)
- o Structure the questions in accordance with the format of the new ICAR AIEEA (PG) and ICAR AICE-JRF/SRF (Ph.D.) examinations.
- o Preferred percentages for different types of MCQs are as follows:
  - o Refresher points or tables
  - o Fill in the blank Questions: ~20%
  - o Multiple Choice Questions (Including ~20 % Multiple Statement Type Questions): ~60%
  - o Matching Type Questions: ~20%
- o Format the MCQs using a Word document with a **12-point Times New Roman font**. Include a header specifying the "**Subject Name**" and "**Chapter Name & number**." Each question should be numbered sequentially, Conclude the document with answers for all the questions.
- o All submissions will undergo a quality review process to ensure they meet the book's standards. Subsequently, they will be subject to peer review by subject matter experts.
- o Authors have the option to contribute more than one chapter within a specific subject, and each chapter should be uploaded separately on our website.
- o If a chapter or a portion thereof meets our quality standards, it may be selected for publication. If only a part of a chapter is chosen, contributing authors may be combined with similar chapters, and the order of authorship will be determined based on the level of contribution.
